(k) Customer assumes the entire risk in downloading or otherwise accessing any data, information, files or other materials obtained from SolarTech's websites, even if Customer has paid for or otherwise been provided virus protection services from SolarTech; (l) SolarTech shall have the right to use, for any purpose, anonymous summary data and data analysis collected by the Products and/or stored on SolarTech's server(s); and (m) if the Products and the equipment/vehicle in which the Products are installed are stolen, SolarTech can try to locate it and share that information with local authorities upon request by Customer; however, SolarTech cannot guarantee it will be able to locate and/or find the products based upon system limitations stated in section 24.

(d) If SolarTech recommends and Customer refuses SolarTech's "Product Configuration", then Customer agrees to pay SolarTech's reasonable fees for future change requests to standard product configuration. For clarity, SolarTech's "Product Configuration" provides SolarTech and Customer with an assessment of Customer's reporting and data flow requirements, product selections, and configuration files.
24. Coverage and Data Transmission: Customer acknowledges and agrees that the Products, Services and the data transmission are dependent on the coverage of cellular, GPS and Internet networks owned and operated by third parties, and that operation of the Product depends on system availability and capacity, system and equipment upgrades, repairs, maintenance, modifications and relocations, Customer's equipment, terrain, signal strength, structural conditions, weather activities, acts of God and other conditions beyond SolarTech's reasonable control. Customer acknowledges that some parts of North America have intermittent coverage or no coverage at all. 27. Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania and the federal laws of the United States of America as applicable therein. Any application to this Agreement of the United Nations Convention on Contracts for the International Sale of Goods is expressly waived.
28. Assignment: This Agreement shall endure to the benefit of, and shall be binding upon, the parties hereto and their respective successors and assigns. Customer shall not assign this Agreement, or any rights or obligations hereunder, without the prior written consent of SolarTech. SolarTech may assign this Agreement upon prior written notice to Customer.
29. General: The headings used in this Agreement are for convenience only and no meaning shall be ascribed to such headings. The waiver by SolarTech of a breach of any provision of this Agreement by Customer shall not operate or be construed as a waiver of any subsequent breach by Customer. No delay or omission by SolarTech in exercising any right, remedy or power hereunder or existing at law or in equity shall be construed as a waiver thereof. If any of the provisions herein or any part thereof are declared invalid or unenforceable by a court of competent jurisdiction, the validity and enforceability of the remainder of such provisions or parts thereof and the applicability thereof shall not be affected thereby. Each party agrees to comply with all applicable laws, including, without limitation, all applicable export laws, restrictions and regulations.
30. Entire Agreement: These Standard Terms and Conditions, and the relevant Quotation attached hereto constitute the entire agreement between SolarTech and Customer and supersede and replace all prior oral or written agreements, understandings, commitments and practices between SolarTech and Customer with respect to the subject matter hereof. To the extent of any inconsistency between these Standard Terms and Conditions and the relevant Quotation, these Standard Terms and Conditions shall apply, unless expressly agreed otherwise.
31. Response to Court Orders: Notwithstanding any other provision herein, Customer hereby consents to SolarTech providing any information relating to Customer, its equipment/vehicles, its use of the Products and Services, and any other information related thereto, as may be requested at any time by way of subpoena or other court order, and agrees to indemnify and hold harmless SolarTech from all costs, liabilities, losses, or expenses arising in connection therewith.
32. CUSTOMER ACKNOWLEDGES THAT, AS WITH ANY MAPS OR DRIVING DIRECTIONS, CUSTOMER SHOULD ALWAYS RECHECK DIRECTIONS AND DRIVING CONDITIONS FOR ACCURACY AND CONFIRM THAT THE ROAD STILL EXISTS, BE AWARE OF CONSTRUCTION AND OTHER HAZARDS AND FOLLOW ALL SAFETY PRECAUTIONS AND LAW.
